### ***GFCU has successful Wish Tree program***

Georgia Federal Credit Union (GFCU) ended 2008 with another successful annual Wish Tree program. GFCU members and employees, partnered with other organizations such as local schools to grant many wishes for children in need during the holiday season. This year, GFCU's Stockbridge location worked with Connecting Henry to provide toys for deserving children in the Henry County area. The Credit Union provided numerous Christmas gifts for children this holiday season, with over 500 donated items, from bicycles and helmets, to educational toys and baby dolls. Special thanks to Hemphill Presbyterian Church for assisting with this year's program. In the photo, GFCU employees Jennifer Singleton and Matt Newman stand with some of the toys donated.
